

Mattola Big Crocodile Look & Copper - Black Onix

Mattola Big Crocodile: Flexible Faux LEATHER Vinyl placemat with an elegant crocodile pattern look. Manufactured with copper nanoparticles, our placemats are antibacterial and easy to clean. **EASY TO CLEAN:** For an easy way to clean our Via Deco placemats, use a wet cloth or paper towel; you can even rinse it directly under water on its main surface. **SAFETY COMES FIRST:** These placemats are BPA, phthalate, and heavy metals free, making them an outstanding option for protection for everyday meals. **HOME DECOR:** Our Via Deco Home placemats protect the dining table, tablecloths, or countertops. Add a fun touch to your dining room and kitchen with your choice of 7 different colors within this exotic texture. Flexible and easy to store. **WHY COPPER?** In 2008, the United States Environmental Protection Agency recognized copper as the only metal with antimicrobial properties.
